SANTOS

nono

NONO is a Mexican design brand with more than 10 years of experience dedicated to produce interior furniture, editions and custom made projects. In NONO we create pieces of extraordinary beauty meeting the singularity of each client with exclusive high quality designs.

The essence of NONO lies in the sensory of each of its shapes.

The trace of each piece follows a rhythm that delicately sculpts the most imposing forms to reveal the personality of every NONO piece. Each of our collections possess its own voice through its curves, shades and finishes, finding a stimulating language to make itself noticed in any space.

SANTOS

Somewhere between an imposing throne and a glass of champagne, Santos, designed by Joel Escalona, is suitable for use in halls, bars, hotels, homes and even outdoors. It will not go unnoticed.

Chair designed by Joel Escalona, made of fiberglass with high gloss finish in green, red, white, and black.
